ALLOWANCE

1. Claims 1-12 are allowed. In correspondence dated July 12, 2007, Applicant effectively argued to overcome Examiner's previous 35 U.S.C. § 112, second paragraph rejection and Obviousness-type double patenting rejection. As such, Examiner withdraws these previous rejections.

Examiner's Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to Applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In a telephone discussion dated August 13, 2007, Applicant gave Examiner authorization for this Examiner's Amendment.

The Application has been amended as follows:

Specification: AMENDED: Insert the following as the first paragraph of the specification under a heading entitled "Continuity data", both located between the invention's title and the heading "Technical field": "This application is a 371 of application number PCT/EP04/53562, filed on December 19, 2004, which claims foreign priority to EPO application numbers 03029361.7, filed on December 19, 2003 and 04103550.2, filed on July 23, 2004.

Claim 9: AMENDED: Insert "as claimed in claim 1" after the phrase "formula 1".

Reasons for Allowance

3. The following is an Examiner's statement of reasons for allowance: the elected invention is free of the prior art and the form of the application is acceptable. The closest prior art is Gold et al., U.S. Patent No. 4,468,400. The reference teaches imidazo[1,2-a]pyridine compounds very similar to the instant compounds. The difference between the compounds of Gold et al. and the instant compounds is that where the instant compounds have a protecting group, Gold et al. has a hydroxy group.

Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
